In a world dominated by superhero movies and video games, *The Action Bible* continues to captivate readers of all ages with stunning illustrations and engaging storytelling.

The Action Bible: Faith in Action Edition, set to launch in February 2024, is an artistic marvel that takes this bestselling, life-changing series to a new level. Highlighting themes of Courage, Faith, Hope, Love, Service, Trust, and Wisdom, this edition uses fast-paced dialogue, vibrant colors, and dynamic images to immerse readers in the narrative, inspiring them to cultivate godly attributes in their everyday lives.

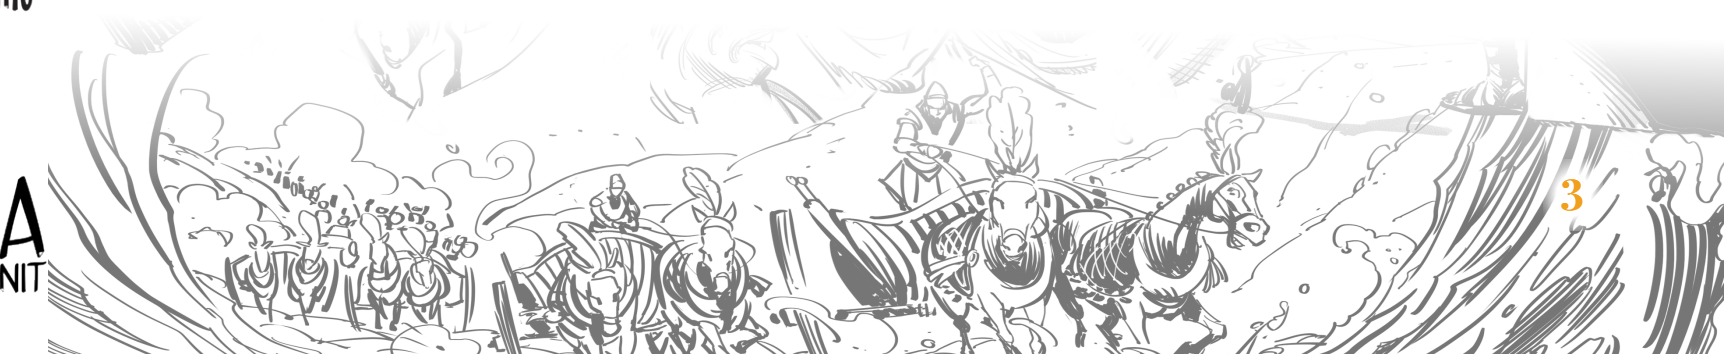

We are also excited to announce that starting in 2024, the impact of *The Action Bible* will extend far beyond its pages with 230 new digital pieces, exclusively available at TheActionBible.com. This digital content allows readers to go deeper into the biblical stories, experience God's truths in new ways, and engage with creative ideas for putting their faith into action.

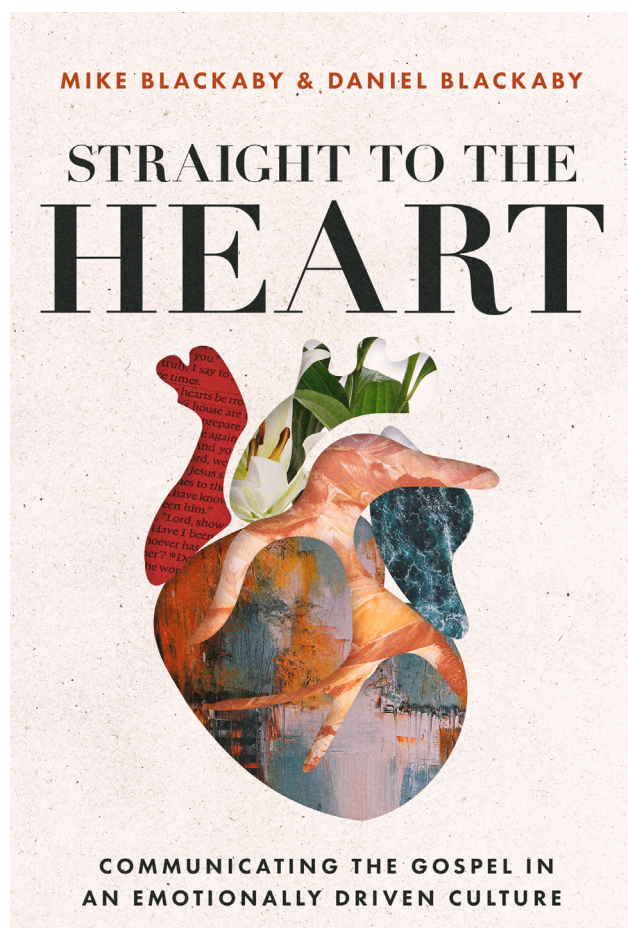

We're thrilled to share that *The Action Bible* has been translated into 83 languages and distributed in more than 200 countries. The stories of transformation from around the world are deeply inspiring. In Africa, a young boy used *The Story of Jesus* (an excerpt from *The Action Bible*) to lead his family to faith, despite challenging circumstances involving an alcoholic and abusive father. Half a world away in Oregon, a copy of *The Action Bible* is in high demand at a public school library, where students wait weeks to check out the book all their friends are talking about.

The Action Bible series, including the upcoming *Faith in Action Edition*, offers an experience that readers will never forget. We invite you to embark on this remarkable journey with us by placing *The Action Bible* prominently on your shelf and sharing God's powerful message of faith, courage, and hope.

Together we can provide an opportunity for readers to spend more time with God and grow in His truth.

Gratefully,
The Action Bible Team

ABOUT THE AUTHORS

Mike Blackaby is a pastor and church planter in Victoria, BC, Canada. He earned a PhD in worldview and apologetics from The Southern Baptist Theological Seminary and was formerly a pastor to young adults. Mike is married to Sarah, and they have four young children.

Daniel Blackaby earned a PhD in Christianity and the arts and a ThM in philosophy, apologetics, and worldview from The Southern Baptist Theological Seminary. He runs The Collision (thecollision.org), a multi-media ministry equipping Christians for cultural engagement. He lives in Georgia with his wife, Sarah, and twin boys.

STRAIGHT TO THE HEART

Communicating the Gospel
in an Emotionally Driven Culture
**MIKE BLACKABY AND
DANIEL BLACKABY**

How Do We Communicate the Heart of Christianity
in a World That's Lost its Mind?

Our approach to apologetics needs to change when the very idea of “truth” is controversial. But as authors Mike and Daniel Blackaby teach us, we can still reach people if we understand what they value most.

This practical guide to our current landscape explores five effective communication pathways:

- **Story**—As people wired for narrative, we can speak through the stories we live and tell.
- **Beauty**—In an increasingly industrialized world, we can point people to “pockets of beauty” that reveal the attractiveness of God.
- **Art**—In a society that celebrates the arts, we can cultivate creativity in the church, then send artists out as cultural missionaries.
- **Desire**—To a people motivated by love, identity, and purpose, we can show how Jesus is the perfect fulfillment of our deepest longings.
- **Community**—As relational creatures where connectivity is disappearing, we can offer a community of unified diversity.

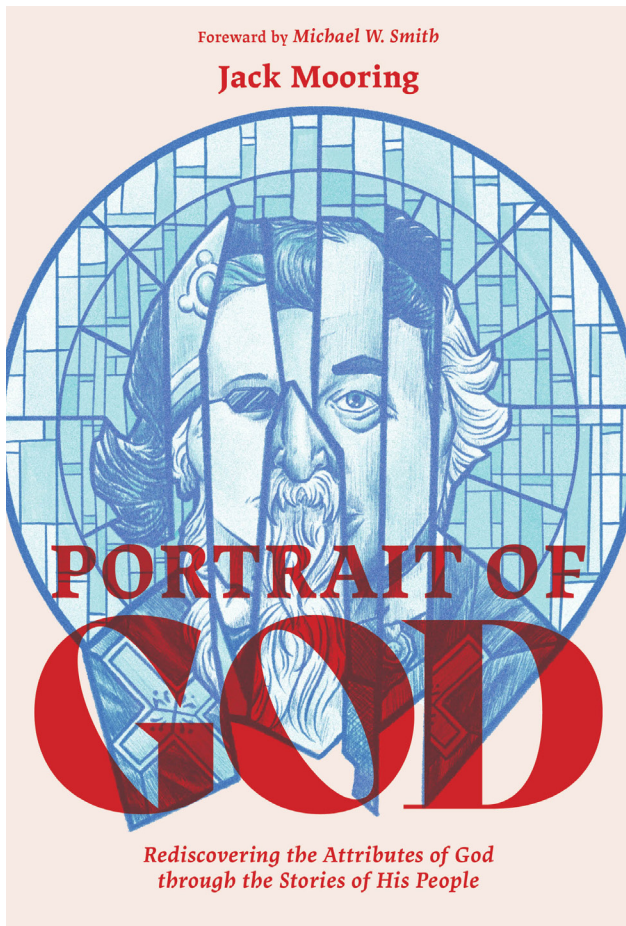

Culture may be in flux, but God’s Word remains true. *Straight to the Heart* helps us speak to the passions that drive our culture without compromising the life-changing truth of the gospel.

ABOUT THE AUTHOR

A former band member with the Grammy Award–nominated group Leeland, **Jack Mooring** is the founding pastor of Celebration of Life Church: Nashville. He is also a songwriter signed with Integrity Music. Jack lives in Franklin, Tennessee, with his wife, Whitney, and their four children.

PORTRAIT OF GOD

Rediscovering the Attributes of God through the Stories of His People

JACK MOORING

Portrait of God is an engaging guidebook for modern-day believers that uses the stories of influential Christian figures—such as C. S. Lewis, St. Augustine, and William and Catherine Booth—to help Christians today find stability in their faith in a changing world.

Are you struggling to see God? Does His face or character seem out of focus or incomplete? *Portrait of God* seeks to construct a vibrant painting of God by spending time in the stories of men and women who faced similar struggles in centuries past.

Each chapter explores an attribute of God through a person in church history who radically experienced His nature, applying it as a brushstroke to our portrait. Here you'll discover:

- Faith—how an all-powerful God worked miracles in the life of Kathryn Kuhlman
- Holiness—what Augustine of Hippo's life in a secular world teaches us about God
- Compassion—how William and Catherine Booth's service to others radiated God's love
- Five additional retellings and reflections from author Jack Mooring

Portrait of God includes a foreword from Michael W. Smith, thought-provoking questions, and a list of further reading about each faith leader. As Jack writes, "The Christian life is less about learning and more about remembering." When our spiritual life feels like a rollercoaster, true stories of faithful Jesus-followers help us rediscover our wonder about the unchanging character of God.

ABOUT THE AUTHOR

Dr. Robert G. Marbut Jr. has engaged with issues contributing to homelessness for more than three decades: as the former “Federal Homelessness Czar” serving in three presidential administrations, a city councilperson, the founding president and CEO of Haven for Hope (the largest and most comprehensive homeless transformational center in the US), and a volunteer. He is a tenured professor at Northwest Vista College and lectures and consults across the country on homelessness. *No Address* contains the writing of ten contributing experts in the field of aiding people experiencing homelessness.

NO ADDRESS

An Interactive Study Guide

DR. ROBERT G. MARBUT JR.

A four-session interactive Bible study, based on the documentary *American with No Address*, that examines the biblical response to homelessness.

Homelessness is not an “issue”; it’s an opportunity for the church to love our neighbors. In this four-session interactive Bible study, we examine what Scripture has to say on the topic. A companion to the documentary *Americans with No Address* and the full-length theatrical movie *No Address* (starring Ashanti, Billy Baldwin, Beverly D’Angelo, and Xander Berkeley), this study teaches participants:

- The root causes of different types of homelessness
- How to engage rather than enable
- The importance of collaboration among existing agencies
- How to mobilize their church to follow Jesus’ call to serve

Each session includes:

- Facts, true stories, and background about the people who experience homelessness in America
- QR code for a quick link to online videos
- Discussion questions for churches and small groups
- Perspective from the Bible
- “Go and Do” action steps
- Ideas for further resources
- Prayer prompts and reflection questions

The government can’t solve homelessness alone. The nonprofit sector can’t solve it alone. But neighbors loving neighbors, working together, can make a difference for the people who are experiencing homelessness in America. *No Address* equips Christians to lead the way.

Dallas Jenkins directed and produced over a dozen feature and short films before creating *The Chosen*, the largest crowd-funded media project of all time. He and his wife, Amanda Jenkins, lead creator of *The Chosen's* additional content, currently live in Texas with their four children.

Ryan Swanson is a screenwriter and producer from St. Paul, Minnesota. He was educated at Macalester College before moving to Los Angeles, where he worked extensively in feature film development at Sony Pictures and at Warner Bros. He co-writes and executive produces for *The Chosen*.

Tyler Thompson brings writing and behind-the-camera experience to *The Chosen*. He was Dallas' co-writer on multiple vignettes and short films portraying Jesus. He is the author of a stage play and the founder of Fixed Abode, an organization that produces shows to raise money for social change.

THE CHOSEN: VOLUME 1

Called by Name

DALLAS JENKINS, RYAN SWANSON, TYLER THOMPSON

CREATIVE DIRECTION & ART DIRECTION BY BIGCHRIS

The Chosen: Volume 1 contains original graphic novel depictions from the television show, *The Chosen*, through the eyes of world-class artists. Illustrated scenes of Jesus turning water into wine, His meeting with the Samaritan woman at the well, His healing of a paralyzed man, and more, will both excite and draw readers closer to Him.

From catacomb paintings to stained glass windows, Christians have always used art to not only tell but also show the gospel story. To that end, *The Chosen* uses television. But by working with new and talented artists, season 1 has been adapted into a fully illustrated graphic novel, including scenes like:

- Mary Magdalene being called from darkness into light
- Simon and Andrew and the miraculous catch of fish
- The paralyzed man who was lowered through the roof—and then healed
- Nicodemus and his secret meeting with Jesus under cover of night

Based on the groundbreaking TV show, graphic novel lovers of all ages will be moved and drawn closer to the Hero of the story as they visually experience these age-old truths in a distinctive way.
