RELENTLESS PURSUIT

Fuel Your Passion and Fulfill Your Mission

BEN COOLEY

From the CEO and co-founder of Hope for Justice, author of *Impossible Is a Dare*, and creator of the *Dear 26 Year Old Me* podcast comes an honest, compelling, and inspiring collection of wisdom and experience to empower those in business and ministry to see their world-changing vision become a reality. In *Relentless Pursuit*, Ben Cooley speaks with self-made billionaires, Grammy-Award winning musicians, megachurch pastors, and network marketers, who give unprecedented access to the challenges, struggles, and doubts they have faced on their journey and share what helped them maintain momentum and achieve success.

Featuring members of the band Rend Collective, Natalie Grant, John Siebling, Young Living Royal Crown Diamond members, Sir Brian Souter, and others, this book provides strikingly honest stories of how they built their careers and what they learned in the moments they felt like giving up.

This book is for anyone who wants to make a difference in the world. It will not only provide the tools you need to make your dream a reality but will allow you to apply the lessons these leaders have learned to your life.

"I've read many books about how to start a business, a ministry, or an idea. In Relentless Pursuit, Ben provides the tools, experiences, and wisdom to help break through the difficult times on your journey. As you learn from the stories of several incredible leaders, this book will give you the spark of inspiration you need to pursue your dream and never give up."

> REIMAGINING THE WAY TO THE GOOD LIFE

THE CROSS BEFORE ME

Reimagining the Way to the Good Life

RANKIN WILBOURNE AND BRIAN GREGOR

Are you flourishing in the life Jesus promised? Christians think of the cross as the instrument of their eternal salvation, not as the way to a beautiful life here and now.

In *The Cross Before Me*, award-winning author Rankin Wilbourne and co-author Brian Gregor offer a provocative perspective on why the cross is God's wisdom about the way to a good and beautiful life. Drawing on biblical truths, historical writings, and modern examples they ask, "What does the cross have to tell us about the art of living a fully human life? What if the things we're most afraid of are the pathway to freedom? What if the way of humility and suffering gives us peace in a way our successes never could?"

The Cross Before Me is for anyone who wonders what the shape of Jesus' life has to teach us about finding the life Jesus promises. This unique book helps readers reimagine the good life as they learn to delight in releasing power and embracing the cross as the only path to human flourishing.

NOTORIOUS

An Integrated Study of the Rogues, Scoundrels, and Scallywags of Scripture

JEFF LUCAS

The Bible spends a great deal of time sharing the stories of men and women who strayed from the path of good. So, is there something good these bad people can teach us? For example, what can Cain teach us about authentic worship? Can King Saul's daughter help us understand kindness? What can we learn from the mob at Thessalonica about faithfulness?

Notorious: An Integrated Study of the Rogues, Scoundrels, and Scallywags of Scripture by teaching pastor

Jeff Lucas will take your congregation through nine weeks of personal and small group study time. You'll see the antagonists of the Bible in new light and discover that there is much we can learn from their lives.

Each session features:

- A group study with discussion questions, Scripture references, and a shared devotion
- Seven days of individual devotions to deepen each member's understanding of Scripture and appreciation for the featured character

NOTORIOUS VIDEO SERIES AND RESOURCES

The *Notorious Video Series and Resources* by teaching pastor Jeff Lucas includes nine video sessions, along with slide templates, sermon outlines, and digital devotions to help your group or congregation see the villains of the Bible in new light and discover that there is much we can learn from their lives.

Jeff Lucas is an author, speaker, pastor, and broadcaster. His passion is to equip the church with practical Bible teaching marked by vulnerability and humor. A former vice president of the Evangelical Alliance UK, Jeff is a bestselling author of twenty-six books that have been translated into multiple languages. LETTERS TO THE CHURCH

LETTERS TO THE CHURCH FRANCIS CHAN

Letters to the Church reminds readers how powerful the Church can be and calls this generation to passionately pursue God's vision for His beloved Bride.

God's Church started as a radical, spiritually intimate gathering of believers that ultimately changed history. Yet millions today are content to be mere observers at church. Many more have left, brokenhearted and cynical. But God is waking up His people—people who will risk anything and sacrifice everything to be the dynamic, world-changing Church of Scripture.

In Letters to the Church, Francis Chan invites readers to wrestle with the fact that many churches have

drifted from God's desire for them. He challenges Christians to ask, "What does God want for His Church? When Jesus returns, will He find us caring for His Bride—even more than for our own lives?"

Speaking out of deep love for the Church, Chan guides Christfollowers to live out God's magnificent and beautiful vision for His Church—a vision we may have lost but God has never forgotten.

DEEP NIGHT, BRIGHT MORNING

Rediscovering the Power of Hope

ANITA CLEVERLY

Deep Night, Bright Morning is for anyone who has experienced adversity in their lives and guides them, through personal stories and Scripture, to the recovery or discovery of the power, love, and calling of God.

Every tragedy has the potential to leave dreams and destiny in tatters. The death of someone we love, and indeed serious loss of any kind, crushes, paralyzes, and immobilizes us. It empowers doubt, releases hopelessness, robs us of energy, and makes us sit down by the wayside in tears and give up.

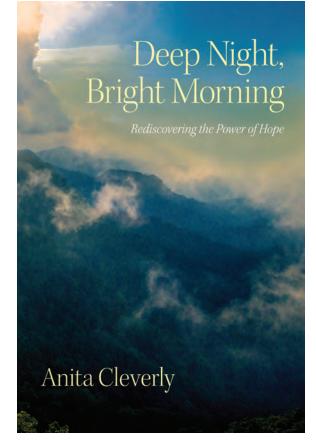

Deep Night, Bright Morning reminds readers that nobody goes entirely untouched by hurt, grief, or pain. As it guides people toward the light and love of Christ, author Anita Cleverly includes Scripture and meditation to help readers find or recover a passion for pursuing God and His calling on their lives. A source of love, hope, and empowerment to serve Christ.

DONE WITH THAT

Escape the Struggle of Your Old Life

BOB MERRITT

"If I have a new life in Christ, why do I still say and do the same old things; why can't I overcome my bad habits?" In *Done with That*, pastor Bob Merritt shows the reader how to overcome old patterns and live a freer kind of life.

The Bible says the old life is gone and the new life has come (see 2 Cor. 5:17). But we still sin; still get angry, arrogant, and greedy. Sin destroys everything in its path, yet it's also kind of fun and quite compelling. It often has us holding on to parts of the old life instead of embracing the new life we've been promised.

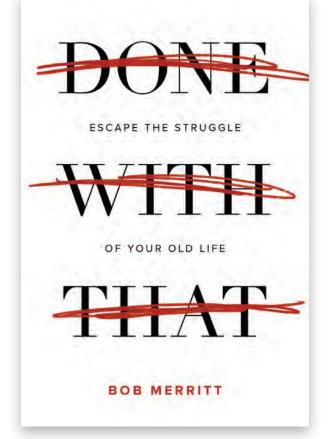

In *Done with That*, Bob Merritt exposes the inner battle we all fight with sin. He exposes the cycle of failure and loss and shows readers that no matter how many setbacks they've experienced, there is a way to enjoy a new and better life in Christ.

GOD'S CRIME SCENE VIDEO SERIES WITH FACILITATOR'S GUIDE

A Cold-Case Detective Examines the Evidence for a Divinely Created Universe

J. WARNER WALLACE

In this highly interactive and visual guide to the eight-session video series *God's Crime Scene*, renowned cold-case detective and author J. Warner Wallace helps participants apply the forensic tools of a homicide detective to life's most important question: Does God exist?

The existence of God: It's one of life's most meaningful questions. For many of us, this daunting question is fraught with challenges. But what if we approached this question the way a detective might investigate a homicide? What if digging into the forensics helped us understand if God left his fingerprints all around this "crime scene" called the universe?

Join respected cold-case detective, author, and speaker J. Warner Wallace in this custom-illustrated participant's guide—created to accompany the compelling eight-session video series—as he engages individuals and small groups in the "investigation" into whether the universe as we see it just happened, or if there is evidence of a divine "intruder"—God himself.
