THE SACRED SEARCH

What If It's Not about Who You Marry, But Why?

GARY THOMAS

Bestselling author Gary Thomas helps singles understand what leads to long-term fulfillment in marriage so that they can make supremely wise marital decisions based on spiritual purpose and worship.

In the revised edition of his hit book *The Sacred Search*, author Gary Thomas helps single people of all ages make wise marital choices, in large part by rethinking what basis those choices should be made on.

Readers are encouraged to think beyond finding their "soul mate," an idea that has its roots in the philosophy of Plato, and instead adopt a more biblical search for a "sole mate"—someone who will walk with them on their spiritual journey.

Thomas asks, What if we focused on *why* to get married more than on *who* to marry? What if being "in love" isn't a good enough reason to get married? And most of all, what if God designed marriage to make us *holy* more than to make us *happy*?

FEARLESS FAMILIES

Building Brave Homes in an Uncertain World

KEVIN THOMPSON

Fearless Families: Building Brave Homes in an Uncertain World helps readers choose to live their lives driven by love instead of fear.

Fear is a natural part of daily life. It's so common that, often, we don't even notice it. And yet, it dominates our decisions.

Because of the value we as a society put on fear, we idolize safety, appearances, materialism, and power, turning to those things in hopes that they will lessen our anxieties. But Jesus preached a different way. In Fearless Families: Building Brave Homes in an Uncertain World, author and pastor Kevin A. Thompson shows us that, when we are led by love, we will choose:

- · trust over safety
- · heart over appearances
- · connection over materialism
- · submission over power

Thompson demonstrates how, as we make choices based on these values, our fears will decrease and our love will increase.

ADULTING FOR JESUS

A Book about Purpose, Trusting God, and (Obviously) Burritos

KRISTIN WEBER

Comedian and author Kristin Weber mixes her signature humor with realistic advice to encourage young Christians to find contentment in their God-given talents and resources, feel free from the pressure to "have it all," and get excited about pursuing their dreams.

Is adulthood a curse? What should I do with all these participation trophies? As young adults try to figure things out and answer deep, soul-heavy questions, they're given flak for living in "extended adolescence." In a world that insists we can (and should) have it all, *Adulting for Jesus* uses humor to offer topical advice and encouragement for those who are asking, "Is this really all there is?"

Develop realistic expectations and a healthy, godly outlook on life for:

- relationships
- calling
- · blessings
- serving
- sabbath
- social media
- anxiety

Readers will find that by learning to laugh at themselves and find humor in situations, the reduced stress and anxiety makes the ride so much more enjoyable. Most importantly, the more young adults learn about God and see His faithfulness in their lives, the more they grow to love His will, even if it's not exactly what they imagined.

SINGING IN BABYLON

Finding Purpose in Life's Second Choices

JEFF LUCAS

Singing in Babylon uses the life of Daniel to show how to be faithful and find purpose when life doesn't go as planned.

Everyone has to live with second choices—events and circumstances that they would not choose, some trivial, some tragic. Daniel was a man whose life was filled with second choices, but he did more than just survive; he stayed faithful to God and *thrived*. So what is there to learn from his story in Scripture?

Pastor and author Jeff Lucas challenges readers to ask, "How can we, like Daniel, be faithful in the 'Babylon' of second choices?" Down-to-earth but inspirational, *Singing in Babylon* explores how the reader, like Daniel, can find purpose and meaning in life's second choices.

SCANDALOUS GRACE

A Book for Tired Christians Seeking Rest

PRESTON SPRINKLE

Scandalous Grace reveals God's stubborn delight in His enemies-how He doesn't just forgive us but actually enjoys us with an unleashed, undomesticated, and scandalous grace first shown on the pages of the Old Testament.

Grace is a dangerous topic. We want to domesticate it, calm it down, and stuff it into a blue blazer and a pair of khakis. But biblical grace-or charis-doesn't like to settle down. Grace is a dangerous topic because the Bible is a dangerous book.

Scandalous Grace flows from the author's half dozen years of teaching the Old Testament to college students. You might think that would produce a book about judgment—but he shows how every character, every event, every single page of the Old Testament bleeds grace. Rather than looking for heroes to emulate, readers discover a gracious God who loves to redeem the unredeemable.

NONVIOLENCE

The Revolutionary Way of Jesus

PRESTON SPRINKLE

This bold book from New York Times-bestselling author Preston Sprinkle is a tour de force that tackles the topic of violence and how Christians should respond

In a unique narrative approach, Sprinkle begins by looking at how the story of God as a whole portrays violence and war, drawing conclusions that guide the reader through the rest of the book. With urgency and precision, he navigates hard questions and examines key approaches to violence, driving every answer back to Scripture. Ultimately, Sprinkle challenges the church to "walk in a manner worthy of our calling" and shape our lives on the example of Christ.

Nonviolence: The Revolutionary Way of Jesus is biblically rooted, theologically coherent, and prophetically challenging. It is a defining work that will stir discussions for years to come.

THE ACTION BIBLE

God's Redemptive Story

DAVID C COOK **ILLUSTRATED BY SERGIO CARIELLO**

Beloved by readers of all ages, The Action Bible is not only a bestseller for 10 years running, it's also the first Bible many kids want to read for themselves—repeatedly! Returning to God's Word again and again builds a foundation for Scripture engagement and lifelong faith.

The Action Bible presents more than 230 fast-paced narratives in chronological order, making it easy to follow the Bible's historical flow and building up to the thrilling climax of God's redemptive story.

Plus, these spectacular updates take the action to a whole new level:

- 25 new stories showcase a more extensive exploration of God's work in our lives.
- 23 expanded stories highlight additional experiences of the people who tell God's story.
- 128 new pages of illustrations deliver a richer artistic experience with more close-up faces, historical details, and dramatic colors.

Every page sparks excitement to explore God's Word and know Him personally. Readers will witness God's active presence in the world through stories from the life of Jesus and great heroes of the faith.

Let this blend of powerful imagery and clear storytelling capture your imagination and instill the truth that invites you to discover your own adventure of life with God.

Sergio Cariello's illustrations for *The Action Bible* leap off the page with the same thrilling energy that earned him international recognition for his work with Marvel Comics and DC Comics.

ABOUT THE AUTHOR

Born in Brazil, Sergio Cariello spent many childhood hours poring over The Picture Bible (Portuguese edition), never dreaming that decades later he would illustrate the updated edition of The Action Bible. Sergio has worked for Marvel Comics and DC Comics, and has

illustrated Batman, Spider-Man, Superman, Iron Man, Wonder Woman, and dozens more characters. He loves to fly drones and attend comic book conventions to stay connected with his peers and fans, but he especially enjoys telling people about Jesus through his illustrations and teaching God's Word when he travels.

SONS NOT SERVANTS ROBERT MORRIS

We aren't sons because we serve. We serve because we're sons.

One of the most powerful parables Jesus told is about the prodigal son in Luke 15. This young man made many mistakes and felt unworthy of an intimate relationship with his father. Believers today often think that their mistakes disqualify them from being children of God, but our heavenly Father does not see it that way.

God gives every believer a robe of righteousness, a ring of authority, and shoes of sonship, which reflect the glorious truth of our relationship with Him.

In this three-part study designed for group experience or individual reflection, Pastor Robert Morris teaches:

- What it means to live righteously as God's children
- How we have authority over the enemy's schemes
- Why our relationship with God is by grace, not what we do

GOD IS... **ROBERT MORRIS**

Does it really matter what you believe about God?

It's important to have a healthy view of God—one that is based not on your feelings or opinions. Your beliefs about God influence how you live, how you view yourself and others, and even how you respond to life's trials. Your understanding about God also affects your relationship with Him and should be based on the truth of the Bible.

In this five-part study designed for group experience or individual reflection, Pastor Robert Morris offers a fresh perspective on God the Father's character and heart. You will be encouraged as you learn:

- · How believing in the goodness of God helps you enjoy life
- How God is fully merciful and fully just at the same time
- · How God is faithful and worthy of your trust
- · How God's grace is unmerited, unearned, and unlimited
- · How God wants to partner with you in His plan for your life

Your heavenly Father never changes. He loves you more than you'll ever know!
