UNTIL UNITY

FRANCIS CHAN

In *Until Unity*, best-selling author Francis Chan challenges readers to grieve the division within the Church and then become so attracted to the vision of a unified bride that they are ready to make expensive changes.

The Church becomes more divided each day.

Many seek reassurance or perceived unity by creating doctrinal statements, but that misses the point. Doctrine is necessary but it is not the root of the division.

In his new book *Until Unity*, *New York Times* bestselling author, Francis Chan, shows readers that the real problem is shallow or even non-existent love for each other. Do we truly understand the gospel? Do we believe in the miracle of the Holy Spirit entering our bodies? As believers, we are supposed to yield the fruit of supernatural love for each other. Instead, we allow jealousy and selfish ambition to prevail.

God hates this division between His children—and our indifference to it. He has provided the solution to the Church in the gifting of leaders to equip His people in a way that leads to “unity of the faith” but not at the expense of truth or holiness. Believers have done a poor job at this, but we can hear the call and be “eager to maintain the unity of the Spirit in the bond of peace” (Ephesians 4:3).

Although the Bible commands unity, some will resist these unifying efforts. We see it every day. We have to **hate sin, love truth, and pursue unity** for the Church. This will be messy, but no matter what, Christians must give everything they have to the pursuit of a unified, restored Bride.

WHAT DOES IT MEAN TO BE CHOSEN?: AN INTERACTIVE BIBLE STUDY

AMANDA JENKINS, DALLAS JENKINS,
& DR. DOUGLAS HUFFMAN

Discover what it means when Jesus chooses YOU.

This is the official companion study to season 1 of *The Chosen*, the groundbreaking television series about the life of Jesus. *What Does It Mean to Be Chosen?* parallels each episode, connecting readers to the Bible in a brand-new way.

This interactive guide is a companion to the series and is designed for group study or individual reflection. It includes:

- A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!)
- Script excerpts, quotes, and illustrations from the show
- Guiding questions for groups or individuals

Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the chooses. We are loved because He's love. We are saved because He's merciful. We belong to the family of God because Jesus invites us, making the Bible and all its promises as true for us today as it was for God's chosen nation.

What does it *actually* mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus.

PEACE AFTER COMBAT

Healing the Spiritual and Psychological Wounds of War

DR. TIFFANY TAJIRI

Peace after Combat: Healing the Spiritual and Psychological Wounds of War masterfully combines story, neurobiology, and Scripture to help combat veterans suffering from posttraumatic stress—and their loved ones—heal mental, emotional, and spiritual wounds.

It could be your neighbor, your coworker, your son, or the woman sitting next to you in church. When combat veterans return from war, they're often confused. They struggle to reconnect with their families; the cheering crowds and smothering hugs make them want to jump out of their skin; and sometimes they even long to return to the hell of deployment.

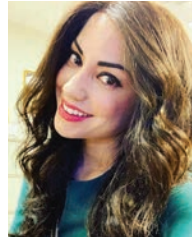

What they've experienced can radically change how they view themselves, others, and the world at large. They may have never seen so much hurt, suffering, death, and destruction outside of combat. It leaves them asking, "Where is God?"

Dr. Tiffany Tajiri, a veteran USAF officer and board-certified clinical psychologist, has been in countless sessions with combat veterans and their loved ones and now shares powerful first-hand accounts, lessons, proven exercises, and biblical truth. Whether experiencing combat directly as a veteran or wanting to help bring healing as a family member, pastor, chaplain, or counselor, this book is essential. The emotional, psychological, and spiritual healing encountered applies to anyone facing harsh realities and uncomfortable questions and hoping to find peace again.
