# HOW DO WE KNOW THE BIBLE IS TRUE?

Homicide detective J. Warner Wallace applies ten common rules of evidence to make the case for Christianity in this updated and expanded edition of the apologetic classic that has changed lives around the world.

A devout atheist, **J. Warner Wallace** couldn't imagine believing in the Christian faith—until he applied the same step-by-step investigative process he utilized as a homicide detective to the case for Christianity. In light of the ten common rules of evidence he'd used to solve crimes throughout his career, Wallace could no longer deny the truth of Jesus Christ. And his life was never the same.
